## **FOR IMMEDIATE RELEASE**

### **CENTURION TEAMS TO OFFER PRODUCTS ON UNITED STATES SPECIAL OPERATIONS COMMAND (USSOCOM) BLANKET PURCHASE AGREEMENT CONTRACT IN FEDERAL MARKET**

TAMPA (February 2, 2010) – Centurion forms teaming relationship with a local Federal Government teaming partner allowing United States Special Operations Organizations to purchase Centurion products off of the USSOCOM BPA. (Blanket Purchase Agreement)

Centurion is pushing forward with its Federal Government marketing efforts by making the CARES suite of products available through Federal Government purchasing vehicles. “Special Operations can now easily purchase our products through our strategic alliance with this formidable teaming partner.” says Mark Lindsay, Centurion’s Director of Federal Government Solutions, “We are grateful of their commitment and willingness to work with Centurion”

The CARES Suite of products provides Federal Agencies with technologies that integrated into the current agencies telephony and data environments. The end result of this integration is a solution that helps increase customer satisfaction, creates efficiencies, and positively affects the bottom line.

#### **About Centurion**

Since 1981, Centurion, Inc. has provided in-house solutions to help companies better serve their customers. Centurion, Inc. does not outsource, but rather provides the tools to help companies better build relationships with their customers. With more than a thousand financial institutions, federal, state and local government agencies, public utilities, and other business customers worldwide, Centurion’s extensive library of Interactive Voice Response (IVR), Automatic Call Distribution, CRM, Screen Pop and Recording applications are custom designed to enhance every aspect of an organization’s online and real - time interfaces. Committed to “doing what we said we would do,” Centurion is positioned to deliver the very best hardware, software and post - sale support to increase an organization’s efficiency, reduce costs and improve interactions with existing and potential customers.
